

There are many affordable insurance plans available. The important thing is to make sure you're covered.

I agree that I want to see other health insurance options.

See full authorization.

I understand that I need to give my approval to see information about options for health insurance, and by checking this box I authorize Discovery Marketplace to show me this information.

I understand that by authorizing Discovery Marketplace to show me this information, Discovery Benefits, Inc. is not disclosing any protected health information (PHI).

I further understand that:

By reviewing this information, I am under no obligation to buy any product or service.

The premiums for individual health insurance are set by law, and the premiums I will see displayed on the site are the same that I would see at any other health insurance website or from any other health insurance agent or broker based on the same information.

Any health insurance options I will see are independent and are not related to any option I may have been provided for COBRA health insurance and are not related to any previous employer health insurance. As such, the laws relating to COBRA coverage do not apply to the insurance options I will see.

If I choose to purchase a product or service upon reviewing this information, Discovery Benefits, Inc. may receive compensation for its marketing services.

If I choose not to purchase a product or service upon reviewing this information at this time, Discovery Marketplace may make efforts to reach out to me again.

All Information entered by me will be kept safe and secure and will be used only to provide me with information.

I may receive a copy of my Authorization upon request.

By clicking "I Submit this Authorization," I agree that I have read and understand this Authorization and I am signing it just as if I physically signed a paper copy and mailed it to Discovery Benefits, Inc. I further agree that my submission of this Authorization is completely voluntary.
